

THE BLUEWAVE TECHNOLOGY GROUP Invites you to London !

UPDATE ON IBM DOMINO RELATED TOPICS 17th November : Park Lane Marriott

REGISTER AT WWW.BLUEWAVEGROUP.EU/2011EVENT

The Bluewave Technology Group, responding to client demand, is running a technology briefing in London on the 17th November. This has been driven by increased interest from our clients on the following topics relating specifically to Lotus Domino.

- Enterprise Mobility & Traveler
- Archiving & Data Discovery in the Enterprise
- Considering the Cloud

Join well known industry speakers, Paul Mooney and Warren Elsmore to get their take on the topics all Domino customers are discussing.

Attendance Cost : Free
